## *Monumental Experiences*

Our tailored itineraries will be your gateway to the historical realm of ancient Egypt. Sail through the mesmerizing sites between Luxor and Aswan and indulge in breathtaking views of the Nile accompanied by historic grandeur.

Embark from Luxor, the world's largest open-air museum, with its magnificent temples along the East and West banks. Sail from there to Esna and make your way to the humble village of Besaw and Jabal Al Silsila. Discover the true Nile gems by visiting Al-Hiribab island and drifting off till you reach the heart of the South, the glowing and enchanting city of Aswan, where you explore the beauty of the Philae temple and the mightiness of the High Dam.

Customized itineraries can be tailored upon request for our guests' pleasure and comfort.
